It has further advised the institutions to be proactive by developing a conducive atmosphere on the campus, where the status of woman is respected and they are treated with dignity.

- Organise orientation program, adolescence related programs and special activities from time to time for women employees and girl students to sensitize to be proactive to deal with such discrimination if any.
- The teachers are trained to attend to adolescence related issues. They are primarily made aware to notice the behaviour pattern of children. This particularly includes close monitoring of academic performance and psychological behaviour, categorically in cases of sudden decline in performance, lack of interest, depression, aloofness etc. The teachers are educated on how to counsel a child if they notice such behaviour pattern. They are also well trained to talk to parents on the subject of child sexual abuse from time to time.
- In order to provide a safe, protective and conducive environment to our children for their overall development, we keep conducting workshops wherein children are taught to differentiate between good touch and bad touch. They are encouraged not to hide things and to report inappropriate behaviour to their teacher.
- Special activities like Karate & Taekwondo classes are regularly held in school which not only give self-defence training but also boost their confidence.
